

Important information relating to Covid-19

Unfortunately all outings, shows and talks as we know them for the rest of 2020 have had to be postponed until further notice.

However, we have started to use our new Garden Room by the side of the Trading Store at Ormonde Road to hold Covid-safe coffee mornings. We want to use this area to enable folk who have been shielding or self-isolating to put a toe back in the water and meet up with friends in a safe place. We estimate that the space can accommodate four people at any one time plus 'staff; and maintain up to a 2 metre social distance if that is requested. We have a supply of sanitising spray to use on the tables and plastic garden chairs prior to each use and sanitising gel will be available upon entry. We can provide tea/coffee/cake safely and please bring your own mugs if you wish and perhaps a cushion for the chairs. We will close off the Garden Room from 10.30-12 noon on Wednesdays for the exclusive use of people who have booked a seat – by email or phone to Sheila (mckeandsheila0@gmail.com / 07710598154).

We will also be using the Garden Room for mini-shows on Sundays in September. More information about these can now be found on the Show pages

With thanks for your support and looking forward to seeing you all safe and well in the not too distant future at a WHA event.
