Class 11 Recipe :

Grandma's Ginger Cake

(recipe from Cheryl Cook's winning entry at Summer Show 2018)

(Grandma has not gone metric!)

4 oz margarine
3 level tablespoons (3oz) golden syrup
¼ pint boiling water
8 oz self-raising flour
1 level teaspoon bicarbonate of soda
2 level teaspoons ground ginger
4oz caster sugar

Grease and base line an 8" square tin

Set the oven to warm (gas mark 3/325F/160C)

Place the margarine and golden syrup in a small basin. Pour over the boiling water and leave until the margarine has melted, stirring if necessary.

Sift the flour, bicarbonate of soda and ginger into a bowl. Stir in the sugar.

Make a well in the centre then pour in the syrup mixture and, with a wooden spoon, beat until smooth. Pour into the prepared tin and bake above the centre of the oven for about 40 minutes or until firm and springy.

Cool in the tin.

Good luck with your entries!
